

REMARKS

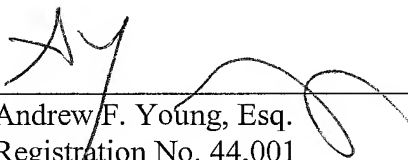

Applicant has carefully considered the Examiner's comments in the instant Restriction Action and notes the admission of the presence of seven patentably distinct groups of designs (Groups I, II, III, IV, V, VI, VII). [Applicant respectfully elects Group II (Claim 5) for further prosecution on the merits thereby making this submission fully responsive to the Examiner's comments]. Applicant requests cancellation of the non-elected claims.

The Commissioner is hereby authorized to charge any addition fee or credit any overpayments that may be necessary to Deposit Account No. 10-0100 to ensure this application remains in a pending status.

Respectfully Submitted,
